Yarn Under Yarn Over Single Crochet method is best for when crocheting amigurumi such as this doll.

Yarn Under, Yarn Over a Single Crochet stitch:

1. Insert hook in next stitch.
2. Yarn Under: Put the hook over the yarn (or have the yarn under the hook).
3. Pull yarn through one loop. There are now two loops on the hook.
4. Yarn Over: Put hook under yarn (or have yarn over hook).
5. Pull yarn through both loops.
